

## For it makes it into manure

## שעושה אותו גלל –

### OVERVIEW

The גמרא explained the reason why one must distance his גורן, from a plowed field (נירו), because the chaff from the גורן forms manure in the plowed field. תוספות explains why that it harmful.

-----  
תוספות responds to an apparent difficulty:

אף על גב דגלל משביח הקרקע כשהיא כולה גלל מזיק<sup>1</sup>:

**Even though manure improves the land, nevertheless when it is entirely manure it damages** the land.

### SUMMARY

Too much גלל is damaging.

### THINKING IT OVER

Do רש"י and תוספות agree or disagree?<sup>2</sup>
