

פורסי שנמג -

OVERVIEW

פורסי stated that even by a בי"ד של עכו"ם they will not accept bribes after שנמג signed. There is a dispute between רש"י and תוספות as to the meaning of שנמג.

פירש¹ רבינו חננאל דיין גדול² שלהם:

The ר"ח explained פורסי שנמג to mean; **their chief justice.**

SUMMARY

פורסי according to רש"י means פסק דין, and according to the ר"ח their chief justice.

THINKING IT OVER

What are the relative advantages of ר"ח or רש"י?

¹ פירש רש"י בד"ה פורסי explains it to mean the final verdict.

² It would seem that according to the ר"ח they will accept bribes even after the verdict has been issued, as long as the דיין גדול שלהם did not sign on it.
