

WHAT FATHERS AND SONS HAVE BEEN WAITING FOR *Tosfos in English!*

FINALLY! EVERYONE WILL BE ABLE TO GRASP FULLY THE RICHNESS AND DEPTH OF תוספות.
ALL תוספות ARE CLEARLY EXPLAINED IN AN EASILY READABLE FORMAT.

Each תוספות contains:

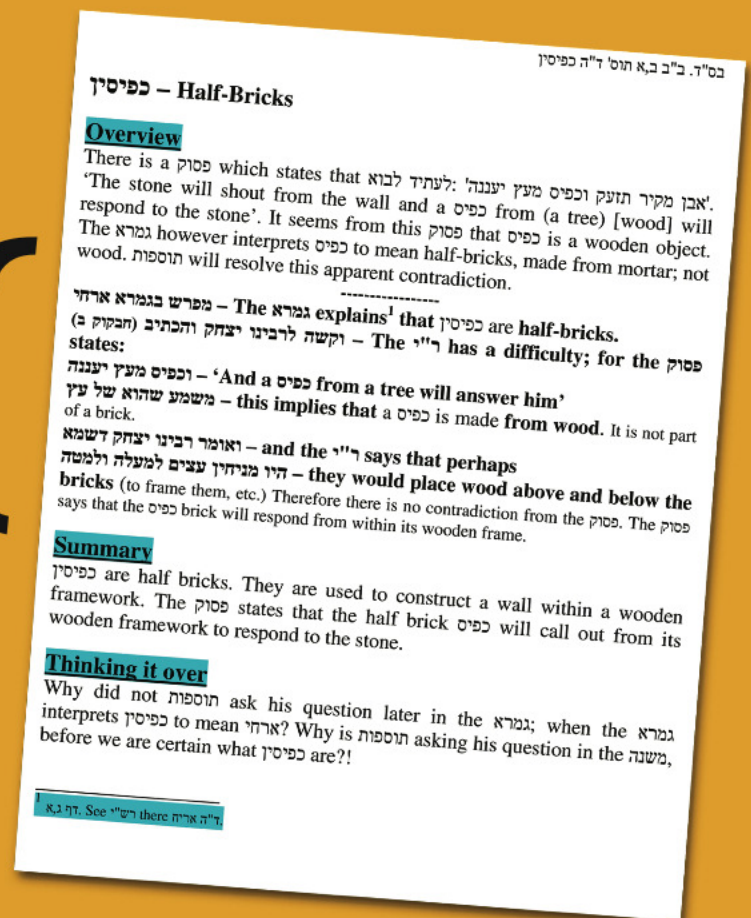

Overview — Contains the background information necessary to properly understand the issues that תוספות will be discussing.

Body of תוספות — translation, interpretation, and elucidation. The entire text of תוספות, as well as the linear translation is in bold type, enabling the student to learn the translation of the words and concepts mentioned in תוספות. The linear translation is augmented by an interpretation and elucidation, in regular (and reduced font) type to enable an easy flowing train of thought.

Summary — a brief synopsis encapsulating the salient points of the תוספות, offering a valuable memory tool for the student.

Thinking it over — challenging questions to stimulate the student's analytical capacity, and a self evaluating tool of appreciating the finer points of the תוספות.

Footnotes — references as well as more detailed and technical explanations for some of the more complicated concepts in תוספות.
